

CORCORAN PRISON

Medical Center or Death Camp?

Come to a speak-out

Wednesday, June 18, 7 p.m.
African American Cultural Complex
762 Fulton Street, San Francisco

DID YOU KNOW...

- *Seven prisoners with HIV and hepatitis C died at Corcoran at the beginning of the year and there has been no investigation?*
- *Corcoran has a history of brutality and torture against prisoners, such as allowing guards to set-up fights in the yard and then kill the fighting prisoners?*
- *Corcoran's brutal legacy continues today with medical neglect and torture in the Security Housing Units?*
- *Despite a large number of prisoners dying from and suffering kidney failure, Corcoran still does not offer a special renal diet?*

Hear eyewitness reports from former prisoners and advocates!
